

MORE THAN A  
SHOWROOM.

IT'S AN A-DEC  
EXPERIENCE.

# SEE WHAT'S POSSIBLE FOR YOUR PRACTICE

It all begins with the A-dec® Educational Experience. During your personalized visit, you'll see the pride we take in designing every chair, light, delivery system, and piece of dental furniture—all to help you work more comfortably, more efficiently, and more confidently.

Spending the day at A-dec has been an eye-opening experience. It was very impressive.

- Dr. Fadi Raffoul

We were able to see how the equipment we're ordering is manufactured. That was really insightful into how we're going to use it in our practice.

- Dr. Rebecca Ferns

I learned all the details that went into every single little thing, and the passion the people here have for the products.

# DISCOVER THE A-DEC DIFFERENCE

Come experience the heart and soul of A-dec, as you take a closer look at our history, our products, and our meticulous manufacturing process. Tour our manufacturing facilities to see where A-dec quality begins.

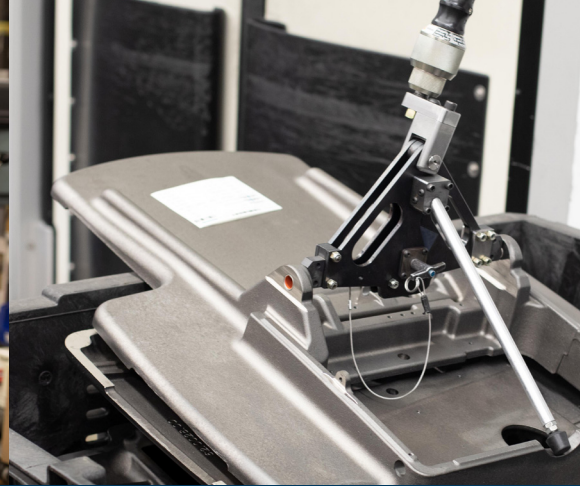

Then, get a hands-on experience in the A-dec Education Center, a dedicated learning facility and showroom with 18 fully equipped treatment rooms. Discover unique operatory solutions as you "test drive" the full range of A-dec equipment—and explore design ideas to create your dream practice.

## Hear what your peers say.

Dentists consistently rank A-dec dental equipment as the highest in quality. Listen to what your peers have to say about why they chose A-dec for their practices.

“  
 The same level of detail and quality that I put into my dentistry, A-dec puts into their equipment. Once you see how this equipment is made, it really changes your perception when evaluating what to buy.  
 - Dr. Meredith Gantos

## EXPAND YOUR PROFESSIONAL KNOWLEDGE

Imagine the value of gaining renewed energy and vision for your practice. Clear ideas for improving efficiencies for your office and staff. And proven solutions for improving your business productivity and profitability.

Your A-dec visit offers numerous opportunities:

- Plan potential design scenarios that can help you improve productivity.
- Gather ideas for a well-designed system that minimizes reaching, twisting and touch points.
- See how to optimize spatial dynamics for better ergonomics, patient access, and vision.ergonomics, patient access and vision.

### Never stop growing.

As part of our commitment to learning and discovery, A-dec also offers Continuing Education (CE) classes for credit, covering a range of topics relevant to your practice.

We really enjoyed the design aspects. We could see all the different options, and how they would look together.

- Dr. Casey Rhoads

## ENVISION YOUR IDEAL PRACTICE

A-dec offers creative, reliable solutions for practices of every size and specialty. Once you see firsthand the variety of treatment room designs; options for delivery of handpieces, clinical instruments, and new technology; materials flow and ergonomics during your A-dec Education Experience, you'll be able to choose the best solutions for the unique needs of your practice.

Planning a visit to A-dec—and taking the time to educate yourself about the possibilities in person—could be the best investment you ever make in your practice. We're excited to be a part of it.

### Ready to plan your visit?

Call your A-dec representative and set up a time to visit. We can't wait to sit down with you to plan, dream, and find solutions for your continued success.
