A-dec® Choices

Which solution is right for you?

There's an A-dec® for everyone.

A-dec offers reliable, creative solutions for practices of every size and specialty. Including yours. No matter which dental chair and delivery system you choose, you'll have the peace of mind of knowing they're engineered with legendary quality and reliability, and backed by a trusted A-dec warranty. So you can practise with confidence.

a-dec 10 YEAR WARRANTY

See **a-dec.com/legal/warranty** for details and exclusions.

A-dec 500

Premium A-dec performance, connectivity, and integration. Expand your practice possibilities while your patients enjoy superior comfort.

A-dec 500 Chair

- Exquisitely smooth and quiet, cradles patients with whole body support
- Impressive range of motion, including our lowest base-down position
- Ultra-thin backrest flexes to create ample legroom under the chair
- Ergonomically designed for optimal access and healthy, natural posture

A-dec 500 Pro Delivery

- Six adjustable control head positions for customisable placement
- DS7 touchscreen offers a simple, dynamic interface for intuitive, connected control
- Multi-user settings for personalised presets that follow you from operatory to operatory
- Supports implantology and advanced endodontics with integrated reciprocation, apex location, and file libraries*

A-dec 400

A sleek design that brings exceptional patient comfort and dental team access together with consistent A-dec performance.

A-dec 400 Chair

- Distinctive contemporary style with contoured patient comfort
- Smooth, efficient positioning, plus 30° rotation on each side of centre
- Ultra-thin backrest flexes to create ample legroom under the chair
- Ergonomically designed for excellent access and healthy, natural posture

Delivery Options

- Pairs with A-dec 300 Pro delivery
- Choose from Continental® or Traditional styles
- Radius® design rotates around the chair—with no tools required—to support right- and left-handed clinicians

A-dec 300

Reliable, accessible and flexible, with A-dec+ connectivity to bring you full-size performance with a smaller footprint.

A-dec 300 Chair

- Compact, space-saving design fits a variety of operatory spaces
- Contoured, pressure-mapped surfaces support patients in comfort
- Ultra-thin backrest flexes to create ample legroom under the chair
- Ergonomically designed for excellent access and healthy, natural posture

A-dec 300 Pro Delivery

- Open platform design is easy to configure, customise, and upgrade in the future
- Pivoting control head reduces hand strain and fatigue
- Intuitive, responsive user interface shows just what you need to know in the moment
- Supports advanced endodontics with integrated reciprocation, apex location, and file libraries*

A-dec Performer eVo™

A compact, evolved solution with essential features for today's practices—all at a great value.

A-dec Performer eVo Chair

- Hydraulic lift ensures smooth, quiet, quick positioning
- Contoured surfaces and dual-articulating headrest for patient comfort
- Modern baseplate for easy installation and improved patient entry/exit
- Ergonomically designed for ample legroom and excellent clinician access

A-dec 300 Delivery

- Four handpiece holder positions allow for customisable configurations
- Balanced flex arm with air brake for easy positioning and stability
- Choice of Traditional or Continental® style
- Radius® design rotates to right or left side of chair, with no tools required
